PENSÉE

SEEDDESIGN

www.SeedDesignUSA.com

Pensée, a refined and contemporary take on a timeless silhouette. With its classic profile and compact design, the Pensée emits a calming glow through hand-crafted opal glass, now combined with a delicate metal shade available in three color options, topped off with a golden detail.

The Pensee is a refined and contemporary take on a timeless silhouette. With a classic profile and compact design, the new PENSÉE offers the best luminaire experience to date. Available both as a table lamp or wall lamp, the PENSÉE emits a calming glow of light through the handmade opal glass. The table version features an exclusive "DJ dimmer" base design, while the wall version utilized the DJ function for ON/OFF only.
